

Porphyra C. Agardh

[View PDF](#)

Specimen

ALAs/n

Unique Specimen Number

48850

Specimen Status

ordinary

Current Species Name

Porphyra C. Agardh

Verified By

S.C. Lindstrom, 29-Nov-99, Notes: distromatic so probably either *P. cuneiformis* or *P. variegata*, but too small to identify to species

Originally Identified As

Porphyra C. Agardh by S. C. Lindstrom, 29-Nov-99

Collection Location

Bartlett Cove, Glacier Bay, Southeast Alaska, Alaska

Collector

M. Mueller, 17-Aug-72
