

Spongomorpha spinescens (Kützing) Kützing

[View PDF](#)

Specimen

ABFLinALAJs/n

Unique Specimen Number

1617

Specimen Status

ordinary

Current Species Name

Acrosiphonia arcta (Dillwyn) Gain

Verified By

S.C. Lindstrom, 19-Jan-99, Notes: probably Acrosiphonia arcta

Originally Identified As

Spongomorpha spinescens (Kützing) Kützing by S. C. Lindstrom

Collection Location

Squirrel Bay, Evans Island, Prince William Sound, Alaska

Habitat

low intertidal, on bedrock & boulders

Collector

S. C. Lindstrom, 14-Sep-74, OCSEAP
